The Property Loss (PL) program provides financial assistance to adults over the age of 60 or disabled who suffered the loss of personal tangible property which adversely affects their daily quality of life. The Sexual Battery Forensic Examination (SB) program reimburses providers for costs associated with the collection of forensic evidence following a sexual battery or lewd or lascivious battery or molestation. The Emergency Responder Death Benefit (ER) program offers death benefits to the surviving spouse, children, parents or guardian, or siblings of a deceased emergency medical technician, paramedic, firefighter, or law enforcement officer who is killed answering a call for service in the line of duty. The Bureau serves as a conduit for processing eligibility for State Institution (SI) claims filed through the Department of Children and Families, Juvenile Justice, Corrections, Health and the Agency for Persons with Disabilities.
